The Office of Her Majesty Queen Diambi Kabatusuila Tshiyoyo Muata

Dear Dr. Guila Clara Kessous,
UNESCO Artist for Peace Peace Ambassador

I am writing to express my deepest gratitude and joy for being invited to sign the African Accords for Women Diplomacy as the Women King of the Order of the Leopard of the Bakwa Luntu people of central Kasai in the Democratic Republic of Congo. It is an honor to be part of this historic moment and to stand alongside fellow African women leaders in promoting women's rights and dignity.

I am thrilled to support the Accords, which resonate deeply with my own values and work. The emphasis on respect, human dignity, and regional cooperation aligns with my efforts to promote gender equality, peace, and development within my kingdom and beyond. I believe that women's empowerment is crucial for building a more just and harmonious society, and I am committed to contributing to the implementation of these Accords.

As a leader, I have witnessed firsthand the impact of violence and discrimination against women. I have worked tirelessly to address these issues and promote women's rights, and I believe that the Accords offer a powerful framework for collective action. I am eager to collaborate with fellow signatories to exchange experiences, share best practices, and support initiatives that advance women's rights and dignity.

I am particularly drawn to the Accords' focus on vulnerable groups, such as women in detention, destitute women, female children, women with disabilities, and women in situations of armed conflict. These groups require special attention and support, and I am committed to working with others to address their specific needs and challenges.

Thank you again for inviting me to be part of this momentous occasion. I look forward to signing the Accords in Egypt in July and to working together to create a brighter future for women and communities across Africa.

Warm regards,

Her Majesty Queen Diambi Kabatusuila Tshiyoyo Muata
